

# LECTRA-SOLV FD

Safety Solvent

## Product Description

Lectra-Solv FD is a unique safety solvent penetrates, degreases and cleans industrial mechanical equipment without disassembly. Effectively removes most greases, oil, waxes, gums, inks, tars, asphalts, and resins.

Non-corrosive. Non-conductive. 30,000 volt dielectric strength. Powerful flushing action. Non-flammable. Cleans better and dries faster than water-based degreasers and leaves no residue. Contains no CFCs or 1,1,1-Trichloroethane.

Safe for most rubber, metal parts, insulation, and metal bearings.

## Uses & Directions

Use on Motors, refrigeration equipment, printing equipment, engines, air conditioning, bowling equipment, power tools, electric fans, air filters, carburetors, generators, machine tools, wrapping machines, keys and locks. **Not for use on plastics.**

Shake well before using. Spray entire area to be cleaned or degreased. Allow several minutes for solvent to work on heavily encrusted areas. Use brus for agittation. Rinse off with a repeat application.

## Health Hazard Summary
