MAX

Heavy Duty Degreaser

This extra strength product is designed for removal of fatty, proteinous and blood soils from floors, walls, and processing equipment in general food processing areas. Max works extremely well in commercial kitchen environments in the emulsification and removal of greases and fats. It contains a quaternary ammonium surfactant system, which assists in creating conditions which are not favorable for bacterial growth, as well as leaving surfaces odor free.

For removal of fatty, proteinous and blood soils from floors, walls, and processing equipment in general food processing areas. Excellent for removal of grease and carbonized soils from heavy equipment, trucks, busses, etc. Max can also be used in carpet extracting applications full strength as a pre-spotter, and also as an automatic floor scrubber solution.

Max may be diluted up with up to 64 parts water, depending on usage. For Heavy Duty cleaning, dilute with 5-10 parts water. For Medium Duty cleaning, dilute with up to 16 parts water. For Light Duty cleaning, dilute with up to 64 parts water.

SPECIFICATIONS FOR MAX

Appearance.....	Clear, blue liquid
pH.....	13±.5
Specific Gravity.....	1.02
Percent Active.....	30-35%
Flash Point.....	None
Dilution.....	Up to 35:1 with water
Foam.....	Low-Moderate
Hardwater Tolerance.....	Excellent
Ammonia.....	None
Butyl.....	Yes
Phosphate.....	None
Storage Stability.....	Excellent, indefinite
USDA Registered?.....	Yes

HMIS RATINGS			
Health	3	Flammability	0
Phys Haz	0	Personal Protection	X

PACKAGING
55 gallon, 6 gallon pail,
