

TIRE BRIGHT

Oil Based Silicone Tire Dressing

TIRE BRIGHT is a special silicone dressing for tires, bumpers, seals, molding, mats and other rubber or plastic automotive items. TIRE BRIGHT applies easily by wipe or spray and dries to a bright, durable, 'wet-looking' finish that beautifies and protects. TIRE BRIGHT is easy-to-use, quick drying, and non-streaking.

FAST ACTING • RAPID GLOSS DEVELOPMENT • WATER RESISTANT

Excellent for use in Auto Detailing, Automotive Tire Dealers, New & Used Car Dealer Prep Departments, Full Service Car Washes, Passenger Car & Truck Rental & Leasing, Motorcycle Dealers.

Clean and rinse tires on vehicles, then allow to dry as much as possible. Apply TIRE BRIGHT as is. Solvent based - therefore it is not dilutable with water. Do not cut with other solvents.
